EXPERIENCE

Cleveland Browns, freelance intern

July 2019 - Present

- Wrote at least one story per day on team website for entire 2020 regular season and playoffs
- Covered every Browns game since Week 10 of 2019 season
- Found story ideas and provided written content from training camp, draft and scouting combine

Wilmington StarNews, sports intern

May - July 2019

- Compiled stories and videos to assist in regional high school sports coverage, including softball state championships and all-area awards
- Provided stories from various assignments, including a rugby tournament and pro wrestling event

The Post Athens, sports editor

Fall 2016 - April 2020

- Covered Ohio football, volleyball, ice hockey, baseball, golf and local high school basketball team for independently-run student newspaper of Ohio University
- Managed staff of 10 writers to coordinate beat coverage for each Ohio sport
- Provided daily beat coverage, student podcasts and videos
- Met game story deadlines and worked with SIDs for interviews
- Worked on copy staff

Associated Press Sports Editors, chapter president

Fall 2017 - April 2020

- Managed weekly discussions with chapter members about various topics and skills necessary in sports journalism
- Worked with executive board members to organize meetings, operate an annual sports symposium and meet with professionals from sports journalism field
- Managed chapter's social media accounts and publicized special events
- Chapter has become increasingly accredited and has received national recognition from professional members

Frederick Keys, media intern

Summer 2018

- Tracked pitch-by-pitch data in MLB's Gameday system
- Assisted with any needs in the press box and answered team's main phone during games
